

We are looking for a

EXECUTIVE ADVISOR - CEO (M/F/D)

To strengthen our Strategic Management Team, we are looking for a high-performing, driven individual, to start at the next possible date as an Executive Advisor to the CEO (m/f/d). This job offers you the unique opportunity to join a biotech company at high speed and to significantly advance your career.

YOUR RESPONSIBILITY

- Act as the right hand of the CEO
- Prepare presentations and materials for scientific congresses and conferences
- Coordinate important appointments with the supervisory board and investors
- Prepare and partake in top management meetings
- Be responsible for steering strategic projects and moderating project meetings

YOUR PROFILE

- Successfully completed studies and PhD in Biology, Biotechnology, Medicine or similar
- Initial experience in the field of immunotherapy is a prerequisite
- Possess an in-depth understanding of complex scientific issues
- Have a natural ability to present complex issues in a clear and concise manner to investors and cooperation partners
- Characterized by outstanding interpersonal skills, excellent command of English and German, and an engaging and outgoing demeanor
- Enjoy and are challenged by the highly dynamic nature of a board department
- Independent, responsible, careful, and goal-oriented way of working
- Team player, flexible and reliable
- Confident handling of MS Office applications

YOUR PERSPECTIVE

- You want to work within and shape a forward-looking and growing company?
- You are looking for a self-dependent and multilateral job with great scope for design?
- You want to work in a team with a pleasant working atmosphere and short communication channels?

We would be pleased to receive your complete application by email to jobs@medigene.com under specification of our reference number EA01!
